Zoning Board of Appeals – Guidelines for Petitioners

The process of submitting an application for a Zoning Board of Appeals hearing requires that the petitioner be properly prepared to give testimony regarding all pertinent matters of his/her zoning petition. The packet of information accompanying this cover letter gives all the specific details relative to a Zoning Board hearing. They are as follows:

- 1) Current yearly schedule of Zoning Board of Appeals hearings
- 2) Application for Zoning Board of Appeals hearings
- 3) Current schedule of fees for Zoning Board of Appeals hearings
- 4) List of zoning application requirements

The petitioner should also be aware of the following aspects of a Zoning Board hearing:

- 1) The hearing is an open public hearing with proper notification being given according to law.
- 2) Residents and businesses within 250 feet of the subject property are notified of the date, time and nature of the hearing. They have the option of giving testimony if they so wish.
- 3) The Zoning Board of Appeals is only a fact-finding board empowered to make a recommendation of approval or denial of the petitioner's application.
- 4) Zoning Board meetings are conducted according to Robert's Rules of Order and Parliamentary procedure. All persons giving testimony at the Zoning Board hearings are required to state their name and give their home address.
- 5) The Village Board of Trustees has the sole authority to approve or deny the petition. Approval or denial will usually come at the next scheduled Village Board meeting following the Zoning Board hearing.
- 6) Village Board meetings are scheduled on the first and third Mondays of each month at 7:30pm. with the agenda posted and available 48 hours before the meeting.

The information requested before a Zoning Board Hearing is necessary so that the Zoning Board may act on the petitioner's request and make a recommendation to the Village Board fairly and expeditiously.
